

SMART SPROUTS

YWCA McLean County

Be a Bud in the new Smart Sprouts Program!

SPROUTs grow stronger when they have BUDs!

Smart Sprouts are kids K - Grade 5 in after-school programs. BUDs mentor them, assisting with reading, math and life skills.

Being a BUD is easy! Do you...

- Have 2-4 hours a week, 3:30 - 5:30 p.m.?
- Have time during the 2013-2014 school year?
- Enjoy children?

Smart Sprouts is offered in 17 locations throughout McLean County. Our BUDs have professional curriculum guides and on-site staff to help. In other words, we help our BUDs to help the children every step of the way!

To volunteer as a Smart Sprouts BUD, contact Colleen Steinberg at (309) 662-0461 or csteinberg@ywcamclean.org.
